Cambridge IGCSE First Language English Coursebook with Free Digital Content John Wiley & Sons

Objective Proficiency contains twenty short units providing a wide range of challenging topics and offering lively yet systematic preparation for the Proficiency exam. Ten lessons focus on the Paper 3 summary task, building up appropriate skills gradually. Authentic language examples taken from the Cambridge International Corpus illustrate a wide range of real English usage. The course is written by experienced examiners who have an in-depth knowledge of the Proficiency exam, and contains material informed by the Cambridge Learner Corpus which shows typical mistakes and areas of difficulty for candidates at Proficiency level.

**English Phrasal Verbs in Use: Advanced** Proficiency Expert

The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

Rvt & Veterinary Assistant Job Aid MacMillan

Quick Smart English is a radical, rapid, revision course in English language communication for students at Advanced level (Common European Framework B2-C1). QSE has a strong

functional, grammatical and lexical framework. QSE provides extensive practice of all four language learning skills, particularly speaking, aided by Language banks on the fold-out cover flaps. QSE is officially recognised as valuable preparation for the GESE and ISE examinations of Trinity College, London and includes extensive Trinity examination practice activities. QSE is based on stimulating and controversial topics to promote real discussion in class about subjects that really matter to students. It includes a unit-by-unit Glossary. QSE uses task-based learning activities including Conversations and Topic Presentations plus a wide range of pair and group exercises using Role play cards. QSE includes cross-curricular, Content and Language Integrated Learning (CLIL) themes, such as science, economics and law in English. QSE texts are drawn from a wide range of English-speaking world sources, from reportage to fiction, and include authentic Extended reading sections. QSE Workbook comes included in the Student's Book. QSE 'watch and listen' DVD consists of 20 units of audio and visual material - 6 videos and 14 audios, plus PDF files for transcripts. QSE Teacher's Guide includes photocopiable exam practice materials.

**An Introduction to American Culture Teacher's Manual**  
Cambridge University Press

There are many reasons to be curious about the way people learn, and the past several decades have seen an explosion of research that has important implications for individual learning, schooling, workforce training, and policy. In 2000, *How People Learn: Brain, Mind, Experience, and School: Expanded Edition* was published and its influence has been wide and deep. The report summarized insights on the nature of learning in school-aged children; described principles for the design of effective learning environments; and provided examples of how that could be implemented in the classroom. Since then, researchers have continued to investigate the nature of learning and have generated new findings related to the neurological processes involved in learning, individual and cultural variability related to learning, and educational technologies. In addition to expanding

scientific understanding of the mechanisms of learning and how the brain adapts throughout the lifespan, there have been important discoveries about influences on learning, particularly sociocultural factors and the structure of learning environments. *How People Learn II: Learners, Contexts, and Cultures* provides a much-needed update incorporating insights gained from this research over the past decade. The book expands on the foundation laid out in the 2000 report and takes an in-depth look at the constellation of influences that affect individual learning. *How People Learn II* will become an indispensable resource to understand learning throughout the lifespan for educators of students and adults.

Proficiency Expert MacMillan

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the *English Vocabulary in Use* range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

Longman Italia

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to

those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

*Coursebook* Ernst Klett Sprachen GmbH

The best-seller that helps you say: "I just said 'no' and I don't feel guilty!" Are you letting your kids get away with murder? Are you allowing your mother-in-law to impose her will on you?
