Man of My Dreams Oliver-Heber books

Acclaimed sports journalist Marcus Thompson explores the 10 teams that transformed basketball in this illustrated history of the sport. What turns a winning team into a dynasty? According to

many, legitimate dynasties are teams that not only won two or more titles but combine personality, superstar talent, and consistent winning seasons. They are teams that you either love or love to hate. While basketball dynasties have been talked about in sports media circles-especially over the last few months--there isn't been a book that explores these top teams in basketball history. *Dynasties* features 10 winning teams that redefined the sport in their own way. Organized by dynasty beginning with the Minnesota Lakers (1948-1954) and ending with the Warriors (2015-the present), the book tells the story of each team with player and coach profiles (including some of the sports all-time greats: Johnson, Bird, Jordan, Abdul-Jabbar, O'Neal, Curry), key games, playing styles and tactics, controversies, and more. Also featured are teams and players that were frequent rivals to dynasty teams (such as LeBron James and the Cleveland Cavaliers), teams that could have been dynasties, and possible future dynasties.

Phil Little, Brown Books for Young Readers

Hiring the irresistible Alix Garran to be his spaceship engineer, gambler Devyn Kell is drawn to her despite her troubled past and desires for an uncomplicated new life, until they both find themselves running from the authorities. Original.

Not Quite a Husband Grand Central Publishing

Sherry Thomas is one of the hottest new voices in historical romance, garnering the highest praise from today's bestselling writers ("Entrancing." —Mary Balogh; "Ravishingly sinful, intelligent and addictive." —Eloisa James). Now Sherry delivers this powerful story of a remarkable woman and the love she thought she'd never find—with the man she thought she'd lost forever.... Their marriage lasted only slightly longer than the honeymoon—to no one's surprise, not even Bryony Asquith's. A man as talented, handsome, and sought after by society as Leo

Marsden couldn't possibly want to spend his entire life with a woman who rebelled against propriety by becoming a doctor. Why, then, three years after their annulment and half a world away, does he track her down at her clinic in the remotest corner of India? Leo has no reason to think Bryony could ever forgive him for the way he treated her, but he won't rest until he's delivered an urgent message from her sister—and fulfilled his duty by escorting her safely back to England. But as they risk their lives for each other on the journey home, will the biggest danger be the treacherous war around them—or their rekindling passion?

Stygian Penguin

In the Ichidian Universe where The League is law, most live in fear. We fight back. Welcome to a world where corrupt assassination politics dominate everyone. It's kill or be killed. Welcome back to the future...and meet hell's new breed of heroes.Devyn Kell spent his life in service to the League until he learned of the double dealing and backstabbing that was costing innocent people their lives. Refusing to play those politics, he became a Runner—someone who makes sure planets get the weapons, medicine and supplies they need to survive. May the gods have mercy on any who get in his way, because he definitely won't.Alix Garran is a woman on the run from a past she can't escape. Signing on to work for Devyn as a System's Engineer, she finds a cause she can fight for—and a man she can respect. But as Alix's past catches up to her, and Devyn's old enemies turn lethal, they have to fight together...or fall alone, in *Born of Ice*, the third bestselling League novel from Sherrilyn Kenyon.

The Things They Carried Bantam

In a universe where assassins make the law, everyone lives in fear—except for Syn. Born of an illicit scandal that once rocked a dynasty, he always knew how to survive on the bloodthirsty streets. But that was then, and the future is now... Syn was raised

as a tech-thief until his livelihood uncovered a truth that could end his life. He tried to destroy the evidence, and has been on the run ever since. Now trained as an assassin, he allows no one to threaten him. Ever. He is the darkness that swallows his enemies whole. Shahara Dagan is the best bounty hunter in the universe. When Syn comes back on the radar, she's the only one who can bring him to justice. There's only one problem: Syn is a close family friend who's helped out the Dagens countless times. But if she saves him, both of their lives will be on the line. Is Syn's protection worth the risk? The only hope Shahara has is to find the evidence he buried long ago. Now it's kill or be killed—and they, the predators, have just become the hunted... *Born of Fire* is the second book in bestselling author Sherrilyn Kenyon's League series.

The League: Nemesis Rising Houghton Mifflin

#1 New York Times bestselling author, Sherrilyn McQueen returns to her League: Nemesis Rising series in this novella that also features the very first short story she sold in 1978, *The Neighbors*. Every Life Has a Price Dakari Tievel has been marked for death by the infamous League. Staying barely one step ahead of the assassins out to end her life, she must find the legendary Eve of Destruction. But Eve is a lot more than just a bounty hunter who calls the shadows home. She comes with an interesting crew of friends and family who have no problem defying the League that rules their worlds with an iron fist. Now they must rely on the most unlikely of allies to keep Dakari safe, and themselves alive. Provided he doesn't betray them. In a universe where the League is law, it's killed or be killed.

Dark Places Piatkus Books

A fresh history of the West grounded in the lives of mixed-descent Native families who first bridged and then collided with racial boundaries. Often overlooked, there is mixed blood at the heart of America. And at the heart of Native life for centuries there were complex households using intermarriage to link disparate communities and create protective circles of kin. Beginning in the seventeenth century, Native peoples—Ojibwes, Otoes, Cheyennes, Chinooks, and others—formed new families with young French, English, Canadian, and American fur traders who spent months in smoky winter lodges or at boisterous summer rendezvous. These families built cosmopolitan trade centers from Michilimackinac on the Great Lakes to Bellevue on the Missouri

River, Bent's Fort in the southern Plains, and Fort Vancouver in the Pacific Northwest. Their family names are often imprinted on the landscape, but their voices have long been muted in our histories. Anne F. Hyde's pathbreaking history restores them in full. Vividly combining the panoramic and the particular, *Born of Lakes and Plains* follows five mixed-descent families whose lives intertwined major events: imperial battles over the fur trade; the first extensions of American authority west of the Appalachians; the ravages of imported disease; the violence of Indian removal; encroaching American settlement; and, following the Civil War, the disasters of Indian war, reservations policy, and allotment. During the pivotal nineteenth century, mixed-descent people who had once occupied a middle ground became a racial problem drawing hostility from all sides. Their identities were challenged by the pseudo-science of blood quantum—the instrument of allotment policy—and their traditions by the Indian schools established to erase Native ways. As Anne F. Hyde shows, they navigated the hard choices they faced as they had for centuries: by relying on the rich resources of family and kin. Here is an indelible western history with a new human face.

Born of Defiance Tor Books

Now an HBO Original Series "You'll love this engrossing novel." —People Named a Best Book of the Year by LibraryReads, BookBrowse, and Goodreads From the #1 New York Times bestselling author of *Anxious People*, a dazzling and profound novel about a small town with a big dream—and the price required to make it come true. By the lake in Beartown is an old ice rink, and in that ice rink Kevin, Amat, Benji, and the rest of the town's junior ice hockey team are about to compete in the national semi-finals—and they actually have a shot at winning. All the hopes and dreams of this place now rest on the shoulders of a handful of teenage boys. Under that heavy burden, the match becomes the catalyst for a violent act that will leave a young girl traumatized and a town in turmoil. Accusations are made and, like ripples on a pond, they travel through all of Beartown. This is a story about a town and a game, but even more about loyalty, commitment, and the responsibilities of friendship; the people we disappoint even though we love them; and the decisions we make every day that come to define us. In this story of a small forest town, Fredrik Backman has found the entire world.

Born of Betrayal St. Martin's Press

A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy "Alex" Stern is the most

unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

Project: Happily Ever After Simon and Schuster

In a world where the League and its assassins rule, where betrayal and treachery are everywhere, the only survivors are those ones who are...born of shadows. For Caillen Dagan, a defiant soldier of fortune, survival isn't a right, it's a brutal daily battle. Moving through the Ichidaian universe like a wraith, his brushes with the law and death are legendary. But when an act of rare heroism reveals his hidden birthright, he's forced into a world much more dangerous and cold-hearted than the bloody streets where he was raised—one of obscene wealth and lethal politics. Ferocious and determined, Desideria serves as an official bodyguard for her queen. Born of questionable genetics, she will do anything to prove herself worthy of the weapons she carries and the position she's won by combat. But when she uncovers a ruthless plot to assassinate the queen and overthrow her country's government, Desideria is caught in the crosshairs. With assassination contracts out on both of them, Caillen and Desideria must learn to fight together or die alone. And if they fail, their governments will fall into the hands of an unimaginable evil.

Maniac Magee St. Martin's Paperbacks

Jayne Erixour believes she knows everything about the universe. As a bounty hunter and assassin, she's seen the worst dregs of humanity and every sentient species ever spat out of a hell realm. To her, there is no truth outside of her blaster's recoil and her

resolve to let no one get too close. Hadrian Scalera is on the run from the same brutal assassins who slaughtered every member of his family, both birth and foster. He has no refuge and no one he dares to call friend, as it will mean the end of them. He expects no mercy from anyone, until the day one assassin hesitates to pull the trigger. An assassin's code is simple: Kill or be killed. No prey, no pay. Every life has a price. If Jayne doesn't fulfill her contract and kill Hadrian, she'll be the next target on the League's menu. But as old enemies return to hunt them both, they quickly learn that neither will survive unless they can learn to trust each other. Yet things are never so simple and survival means only one of them can be left standing . . .
